

WAUKESHA NATURAL GAS ENGINE PARTS

Continental Engine Parts
1151 West 22nd Street
Houston Texas 77008
713 864 7084 Fax 713 864 5190
cipengineparts@yahoo.com

We offer a full range of parts, some of which are truly OEM and some of which are after market. Our philosophy is that when OEM is not available or is priced unreasonably you must accommodate your need through quality after market prices

We pride ourselves in having multiple sources for parts with savings which we pass on.
